Please…

Don't Feed the Waterfowl!

Many people enjoy feeding geese and ducks, but the effects of this seemingly generous act can be harmful. If you care for these beautiful birds, please stop feeding them and allow them to return to their natural habits.

Support the City of Chicopee and our efforts to keep wildlife wild and protect our natural waterbodies.

REGULAR FEEDING CAN CAUSE:

- **Poor nutrition**
- **Spread of disease**
- **Aggressive behavior**
- **Pollution**
- **Overcrowding**
- **Delayed migration**
