Dear Honorable Mayor Bissonnette;

I would respectfully request an appropriation to our line item for regular overtime 11610001-514350 in the amount of $4,000.00. There is an extremely large amount of filing and vault work that needs to be completed. This type of work needs to be completed after hours without our general services to the public being interrupted.

Thank you in advance for your anticipated co-operation in this matter.

RE: **FUNDING FOR CMG POSITIONS**

The Board of Aldermen recently approved the two (2) supervisory positions for the Central Maintenance Garage. (See attached ordinances.)

In order to be able to post these positions, funding must be made available. I respectfully request that funds be appropriated as follows:

POSITIONS	FUNDING (March thru June)
Service Operations Manager	$20,000
MEO Repairperson/Shop Foreman	$ 1,400

Note that funding is being requested starting in March, since we have to go through a posting and interview process which will take some time. Also, the Shop Foreman funding is only for the incremental amount that will be needed above currently available funding.

Thank you for your consideration of this funding request.

RE: Human Resource Department Expense Accounts

Dear Mayor Bissonnette,

This department formally requests the establishment of a new expense account. The name for this special service account would be Collective Bargaining Settlement Expenses.

Presently, we have one pending bill that pertains to a Memorandum of Agreement for the Fire Department's 24-hour shift. In order to make payment for this settlement, we request a five thousand dollar ($5,000.00) appropriation to be made to the account.

If you should have any questions, please do not hesitate to contact me.

Thank you for your attention.

Sincerely,

Richard A. Merchant
Director

MEMORANDUM OF AGREEMENT

The following represents the outline of an agreement between Local 1710 of the I.A.F.F. and the City of Chicopee, the final agreement to be reduced to a memorandum, ratified by the union membership and approved by the City:

1. The parties stipulate that this agreement shall resolve the following pending arbitration matters and grievances filed as of this date and all those pending actions shall be held in abeyance pending ratification by the membership and shall be dismissed upon ratification and agreement by the City and the membership:
    a. 24 hour shifts
    b. Short-term pro-rata sick pay
    c. Fire Officers overtime
    d. Failure to respond and/or bargain (unfair labor practices)
    e. The City agrees to pay a total of $5,000 in reimbursement for any costs incurred associated with all disputes settled by this agreement
2. The 24 hour per day shifts shall be implemented as of Sunday, January 6, 2008 as a 2 year pilot program with quarterly reviews by a committee of 6 persons with 3 appointed by the Mayor and 3 by the union. The parties agree on the specific implementation of the program (see Addendum A) and shall agree to submit any disputes over implementation to binding arbitration within 14 days of the Mayor being notified of the dispute.

3. Each party shall immediately designate a minimum of 3 members to a Paramedic Task Force to plan the implementation, funding and training schedule for an Advanced Life Support program over the next three years with an initial report to be submitted to the Mayor by February 1, 2008.
4. The parties agree that Fire Members and Officers being offered a minimum of 5 overtime tours per calendar year shall be fair and reasonable provided that the tours are offered exclusive of Christmas Eve, Christmas Day and/or Thanksgiving and with 24 hours notice to the employee. In the event such tours are not offered, the parties agree that the City shall pay the minimum amount for overtime tours (10 hour tour) not offered to each member.
5. The parties agree that all new firefighters shall be required to maintain their EMT certification throughout their employment and shall be required to be part of the full yearly ambulance rotation until age 50 or until after 16 years of service, whichever comes first. All firefighters hired after November 2, 2001 and before November 15, 2007 shall be required to work eight years on the full yearly ambulance rotation.
6. The parties further agree that all firefighters not required to serve in the ambulance rotation as of January, 2008 may voluntarily accept ambulance rotation assignments for periods of 12 months or less in each calendar year and shall indicate their preferences at the time of November vacation selection or such other time as designated by the Chief.

a. The intention is to allow firefighters to voluntarily accept shifts in order to keep their ambulance and EMT skills professional and proficient. To that end the parties will use their best efforts to ensure that volunteers work a sufficient number of shifts during the period of their service to maintain their skills.

b. The Chief or Deputy Chiefs shall be responsible for reasonable implementation of the voluntary program. Withdrawals from the full yearly ambulance rotation voluntary program for extraordinary reasons shall be allowed by the Chief.

c. The union agrees to use its best efforts to obtain sufficient volunteers to always ensure a minimum of 40 EMT/firefighters (or 10 per shift) available to accept ambulance rotation assignments.

d. The parties agree to meet and review the pilot program on a quarterly basis beginning in April, 2008 and shall recommend such steps as may be necessary to assist the Chief in implementation.

e. Upon completion of the pilot program, the parties may agree to terminate the program by mutual agreement.

7. No employee shall work more than 14 consecutive hours on ambulance duty nor shall any employee work more than 38 consecutive hours (except at the discretion of the Chief or Deputy Chief).

8. The parties agree to extend the conditions of the current contract until June 30, 2010. The base wages shall increase by 3% in the new contract which will be dated from July 1, 2009 until June 30, 2010.

9. If this memorandum of agreement is not ratified and approved by the membership and the City, it will be of no force and effect.

Signed this 7th day of November, 2007.

For the City:

Michael D. Bissonnette, Mayor

For the Union:

Approved as to form:

Susan C. Phillips, City Solicitor

Addendum A

Implementation Plan

I. Modify Article 12 as follows:

ARTICLE 12

HOURS

12.01 The following 24-hour shift schedule is being implemented for the term of this Agreement subject to the following conditions:

a. The regular work week for the fire fighting members and for Fire Medics shall be forty-two (42) hours. The forty-two (42) hour work week shall be in accordance with the chart immediately below consisting of the following pattern of work days for the 24-hour shift schedule: 24 hours on, 24 hours off, 24 hours on and five 24 hour periods off, with "W" representing working and "O" representing a day off:

WOWOOOO
OWOWOOO
OOWOWOO
OOOWOWO
OOOOWOW
OOOOOWO
WOOOOOW
OWOOOOO

b. The 24-hour shift schedule shall begin at 0730 hours on Sunday, January 6, 2008. The Union agrees, notwithstanding that the introduction of the 24-shift on this date will result in Group A working an addition ten hour day shift on January 5, 2008, that no Group A employee shall be entitled to any extra overtime for such shift. To the extent any Group A employee objects to this provision, the Union will ensure that sufficient volunteers are available to work the January 5 day shift on this basis on a shift swap basis.

In accordance with this starting date, the groups assigned to each 24 hour shift for the first cycle begging on January 6, 2008 shall be as follows:

ABABCDC
DABABCD
Etc cet.

c. There will be no change in benefits accruing to either the City or the Union by the introduction of the revised 24-hour shift scheduling. Each 24-hour period shall consist of two working tours, a ten (10) hour day tour followed by a fourteen (14) hour night tour stacked on top of each other to create the 24-hour shift. If there are any additional benefits not identified below that are inadvertently increased or expanded as a result of the introduction of the new schedule, then they will be of no force and effect. By way of example, all existing methods applicable to sick, vacation, tour swaps, bereavement, and overtime will remain unchanged.

I. The chief will monitor leave usage and such usage will be discussed during the quarterly meetings.

II. Modify the following provisions of the 2003-06 collective bargaining agreement:

P4 article 2.01 – change: working day" to "working tour"

P5 Delete "duty day"

P6 article 2.01 – Working out of grade, second line down, change "full to "working".
