The meeting was opened by President Vieau at 7:00. The Mayor started talking about the 500 year flood plan. There is a plan, almost all of Willimansett, part of the Falls. Introduced Tom Hamel. Tom talked about FEMA certification, Army Corps of Engineers plan, gave a brief synopsis. Introduced Tom Jenkins who spoke about the history that lead to the flood control works. Nat Arai followed with a presentation what would be needing attention. Gaspee should have a pump station. Interior flooding, more detailed study needed. Lee Pouliot gave an update on the Uniroyal project. Five structures, part of the twenty-eight structures, design work on the last three buildings, building fifteen set for demolition. Close to the end of the city's work on this site. The main building, behind two buildings look like one long building, the metrology building. Next the auditorium rendering, week 18 city hall construction, bid package for furniture for the auditorium. Maximum capacity 299 individuals. City Council meetings, School Committee meetings, sub committees. Renovation/repair project, April-May will hopefully be finished. The Mayor gave the briefing for the Tuesday October 1, 2019 City Council Meeting.
