Harborwalk

Our six-acre Harborwalk surrounds Encore Boston Harbor and is open day and night, offering a breathtaking waterfront park for residents and guests to enjoy. The park links to existing paths around Boston Harbor and opens a stretch of shoreline to the public for the first time in more than a century.

Stroll the lawns and take in the scents of the lush gardens. Open to the public year-round, Harborwalk is an ideal spot to listen to live music, enjoy a waterfront picnic, or take a scenic walk along our expansive event lawn, picnic park, viewing decks and shoreline paths.
